1. INTRODUCTION

MGR IGEN SDG ENSAV CLUB-a club to protect our mother planet & transforming our world by promoting sustainable eco friendly products. The club activities provide first hand realization about the energy crisis. We strive to reach, educate our students & through them a community will be developed. We are globally connected to more than 20000 members through 28 global clubs. We are partnered with global institutions, individuals, schools, NGO's .

2. ON CAMPUS EVENTS

➤ 2. 1 INAUGURATION OF MGR IGEN SDG ENSAV CLUB

The Sustainable Development Goals (SDGs) aim to transform our world. They are a call to action to end poverty and inequality, protect the planet, and ensure that all people enjoy health, justice and prosperity.

EVENT SHORT REPORT

Greetings from First Year!!!!!!!!!!

“Sustainable Development is the peace policy of the future”

First Year (E&T) have witnessed the inauguration of its maiden club for SDG-MGR IGEN SDG ENSAV CLUB on 6/1/23 at 11.30am in the New Auditorium. The club aimed to share a blueprint for transforming our campus for the future generation. The club was inaugurated by **Dr.S.Gomathinayagam, Former Director General, National Institute of Wind Energy**, IGEN Board of advisor.

The speaker envisaged on Sustainable development goals a collection of 17 objectives curated to serve the people of the planet. The inaugural session was scintillated with the presence of Provost, Dr.G.Gopalakrishnan, Rector, Dr.D.Viswananthan, Dean (E&T), Dr.N.Ethiraj, Addtl Dean(E&T), Dr.N.Kanya. Students who participated in various activities were recognized by certificate of Appreciation. Exuberant young souls were dabbled in green Mantras & all set ready to write their own chapter with an indelible ink. We thank our Hon.President for extending relentless support for all our endeavors.

EVENT OUTCOME

We recognize that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests.

VENUE AND DATE : Seminar Hall At 06/01/2023

CHIEF GUEST : Dr.S. Gomathinayagam, Former Director General,
National Institute of Wind Energy

NO OF PARTICIPANTS : 75

➤ **2.2 PROFESSIONAL SOCIETY ORIENTATION OF MGR IGEN SDG ENSAV CLUB INAUGURATION**

Our overarching goal is to work towards achieving the UN SDG goals, leaving no one behind.

EVENT SHORT REPORT

The First Year (E&T) organized an orientation event for the members of the MGR IGEN SDG Ensav club on September 29, 2023, from 11:45 AM to 1:00 PM at the RA Block Auditorium. **Dr. L. Ramesh, JR (EPA)**, provided insights to students regarding the various activities undertaken by the Ensav club. A pitch presentation competition was organized for the first-year students on the United Nations Sustainable Development Goals (UN SDG).

Dr. B. Suchitra, Dean (Events), served as the program's judge. She evaluated students on their creativity and presentation skills. During the event, students passionately advocated for the UN SDG goals, highlighting their commitment to improving economic opportunities, enhancing education, and ensuring equality for all. Around 25 students participated in the SDG pitch presentation. They have presented their perspective on SDG goal with the drawings which portrayed SDG goals. The winners of the competition were **Winner: Swetha.S A-K2/46 Runner: Sachin.B A-J1/38**. Our overarching goal is to work towards achieving the UN SDG goals, leaving no one behind.

EVENT OUTCOME

During the event, students passionately advocated for the UN SDG goals, highlighting their commitment to improving economic opportunities, enhancing education, and ensuring equality for all. Around 25 students participated in the SDG pitch presentation. They have presented their perspective on SDG goal with the drawings which portrayed SDG goals.

NO OF PARTICIPANTS : 75

WINNERS : Swetha.S A-K2/46

RUNNERS : Sachin.B A-J1/38

EVENT PHOTOS

➤ **2.3. SDG7 SUMMIT SYNERGIA**

The competition aimed to hone rhetoric skill among first year students on SDG7 (affordable & clean energy). Students well-articulated their perspectives on key trends, promotion and awareness of SDG 7.

EVENT SHORT REPORT

MGRIGEN ENSAV CLUBin association with First Year (E&T) organized a pitch presentation entitled *‘‘SDG7SUMMIT’’* on 15/12/23 at VOC 303, from 12.00pm to 2.00 pm. The competition aimed to hone rhetoric skill among first year students on SDG7 (affordable & clean energy). Students well-articulated their perspectives on key trends, promotion and awareness of SDG 7. The event was judged by Ms.Mallika Karthik, (Chief Consultant of Karthik Associates & Mentor of AKC) &Dr.Selvaraj (Dept of EEE).During the event, students passionately advocated for the UN SDG goals, highlighting their commitment to improving economic opportunities, enhancing education, and ensuring equality for all. 7 students participated in the SDG pitch presentation. Y.Vamsikrishna, B.Sachin, Krishna, Murali, R.Murshid, Akil arun Thomas, B.Dharanirajan, B.Suresh. They have presented their perspective on SDG goal with the drawings which portrayed SDG goals.Our overarching goal is to work towards achieving the UN SDG goals, leaving no one behind.

EVENT OUTCOME

During the event, students passionately advocated for the UN SDG goals, highlighting their commitment to improving economic opportunities, enhancing education, and ensuring equality for all.

VENUE AND DATE : Mechanical Smart Classroom - Main Campus At

➤ 2.4.FREE ENERGY CONSERVATION AWARENESS TRAINING FOR ENGINEERING STUDENTS:

STEM ASSOCIATION & MGR IGEN SDG ENSAV CLUB, First year (E&T) welcomes All for the Training program on "Free Energy Conservation Awareness Training For Engineering Students" by Mr.V. Premkumar External faculty of PCRA(Petroleum conservation Research Association) on 29/03/2023 at 10am. Venue VOC411 Dated 29/03/2023 STEM ASSOCIATION AND MGR IGEN SDG ENSAV CLUB, First Year E & T organized an Institutional Training Program on "Free Energy

Conservation Awareness Training for Engineering Students” The Speaker of the program was Mr.V. Premkumar, External Faculty of PCRA (Petroleum Conservation Research Association). The Program started at 10 AM with felicitation delivered by the Joint Registrar Dr.N.S.Shubhashree. The chief Guest Mr.V. Premkumar created awareness among the students to save energy for our future. He explained about the Green house gases, energy efficiency and about conservation of energy He also explained about the need, various principles, renewable and nonrenewable resources involved in energy conservation.

EVENT OUTCOME

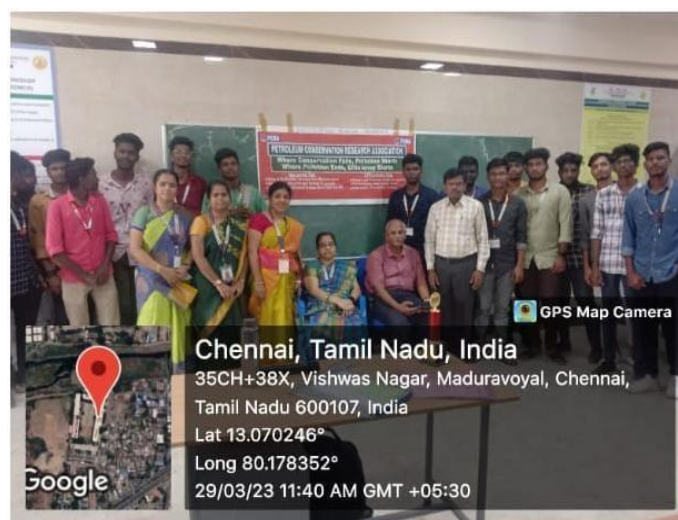

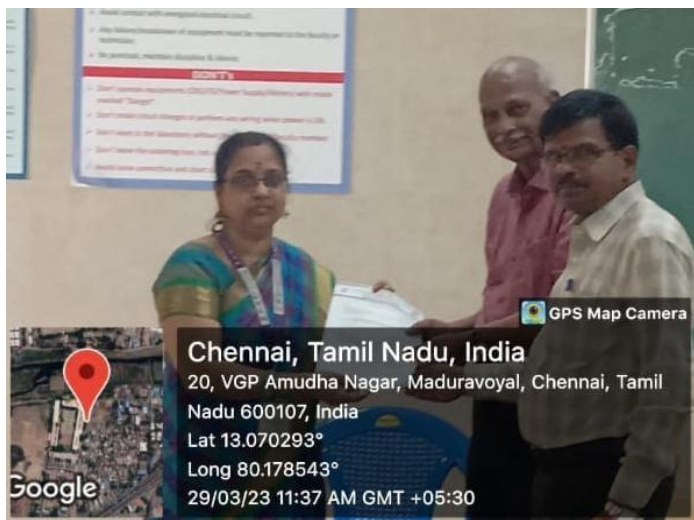

Created awareness among the students to save energy for our future

VENUE AND DATE : VOC 411 & 29.03.2023

CHIEF GUEST : Mr.V. Premkumar External faculty of PCRA

3. OFF CAMPUS EVENTS

➤ SAVE ONE UNIT/DAY

The objective of this event was to let the children know about the 9 green mantras learn and understand them to implement in their life's.

EVENT SHORT REPORT...

ISR ACTIVITY ON “SAVE ONE UNIT / DAY” Conserve energy to preserve future Faculty of Engineering and Technology, First Year E&T in association with STEM Association conducted an Institutional Social Responsibility (ISR) ACTIVITY on “Save one unit / day” at Green Valley Central School, Mogappair to offer students meticulous experiences that take them self steps to conserve electricity. In this process, they learn 9 mantras to save one unit per day at home to solve problems in the world to make it green. Students from diverse departments from our university actively participated in inculcating knowledge to the students of the school. Dr. Preetha Mary George, Deputy Dean, Department of Physics gave a fantabulous opening speech followed by the speech of Dr.L.Ramesh, Joint Registrar, EPA to motivate students further more on power consumption and requested students to make an one minute video on the 9 mantras. In order to educate the students to save “one unit / day”, our students performed an interactive quiz session, mime enact, explaining 9 mantras and distributing pamphlets to the school students. In addition to that, Dr.L.Ramesh presented the memento to the principal of Green Valley Central School, Mrs. Licy John who was also very erudite on the greens. She too was very keen in listening to the performances all throughout the program by our students.”

The overall presentation was efficacious which made our reason for the ISR Activity thrive.

EVENT OUTCOME

We recognize that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce in equality, and spur economic growth—all while tackling climate change and working to preserve our oceans and forests.

➤ 3.2 SAVE ONE UNIT/DAY

MGR IGEN SDG ENSAV CLUB of First Year (E&T) was privileged to receive an opportune occasion to be part of Day 6 of the special camp organized by NSS wing of our University. The camp provided a window of opportunities for our youth to explore and experience the continuous interaction and inculcate among the community . Our ENSAV club members was hard on their heels to create awareness on "save one Unit/day" to the students of CSI Primary School, Vadamadurai.

EVENT SHORT REPORT...

"There is no higher religion than humanity" MGR IGEN SDG ENSAV CLUB of First Year (E&T) was privileged to receive an opportune occasion to be part of Day 6 of the special camp organized by NSS wing of our University. The camp provided a window of opportunities for our youth to explore and experience the continuous interaction and inculcate among the community. Our ENSAV club members was hard on their heels to create awareness on "save one Unit/day" to the students of CSI Primary School, Vadamadurai. Our students offered them a scrupulous experience that take them self - steps to conserve electricity. In this process, they learn 9 mantras to save one unit per day at home to solve problems in the world to make it green. Our students fed each other with energy and the

dynamics reflected on the entire performance showcased by them. They felt incredibly blessed to support, teach, care & more over they were one among them with the little one's at the school. We are truly inspired by the richness & the depth of service rendered by NSS units headed by Dr P S Rajakumar, program coordinator, Dean (Activities) guided by Mr.Praveenkumar & Mr.Bharath for creating tangible & durable community assets. We are grateful to our Hon. President for providing unprecedented encouragement & bountiful opportunities to build up the potential youth leaders.

EVENT OUTCOME

All them were known about the 9 green mantras and they were given pamphlets to understand even more better. At the end each and every student there were aware of 9green mantras and were ready to use them in their everyday life.

VENUE AND DATE : CSI Primary School, Vadamadurai At 05/04/2023

CHIEF GUEST : Dr.L.Ramesh, JR EPA, Dr.MGR Educational and Research Institute University Chennai

EVENT PHOTOS

➤ **3.4 IGEN GREEN DAY**

The main objective is to encourage participants to engage in one of the suggested green actions, promoting sustainability and to raise awareness about environmental issues and the importance of sustainable practices. IGEN Green Day provides a list of suggested.

EVENT SHORT REPORT...

The IGEN Green Day is observed on October 22nd annually. It is an initiative aimed at promoting environmental awareness and encouraging sustainable practices. This event is organized by IGEN (The Institution of Green Engineers), a platform that encourages individuals to take green actions and make a positive impact on the planet.

The main objective is to encourage participants to engage in one of the suggested green actions, promoting sustainability and to raise awareness about environmental issues and the importance of sustainable practices. IGEN Green Day provides a list of suggested green actions that participants are encouraged to choose any one or own choice.

First-year students of Engineering and Technology have actively participated in the IGEN Green Day event by sharing their photos and videos on the IGEN Green Day Facebook page. They have used the following hashtags #mgrfyetigengreenday, #igengreenday2023, #igengreenday, #green, and #sdgs to post their green action. Students were engaged in various green actions including tree planting, water and electricity conservation and an increased use of public transportation. We all gather on beholy of IGEN Green Day was celebrated on 22th Oct 2023. First year E&T students and Dr. A Kannan went to explore Solar Power plant in our campus. Solar power is the conversion of energy from Sunlight into electricity either by directly using Photovoltaics or indirectly using concentrated solar power. Photovoltaics cells convert light into an electric current using the photovoltaic effect. A solar power is a facility that converts solar radiation made up of light heat, and ultraviolet radiation into electricity suitable to be supplied to homes, College and Industries.

EVENT OUTCOME

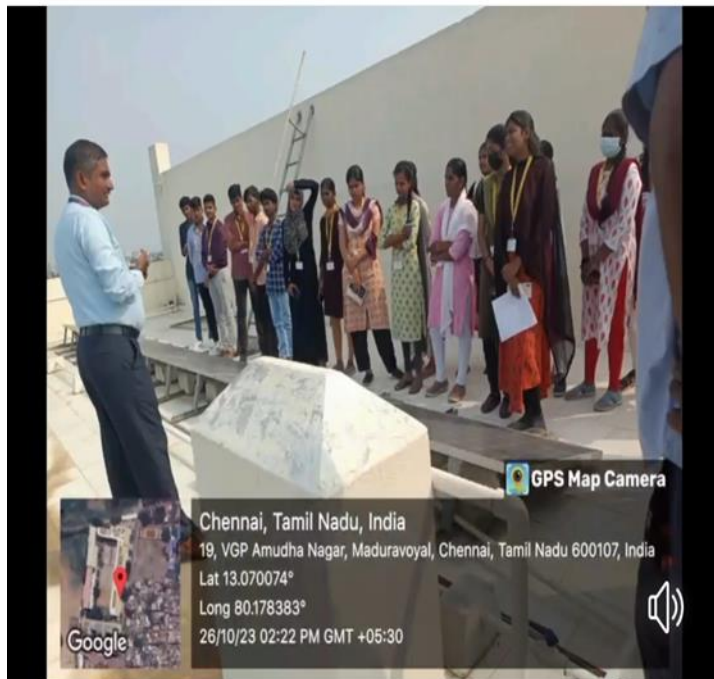

The active participation of First-year students in Engineering and Technology demonstrated a commitment to environmental conservation and to create a greener and more sustainable future. This event was an important step in spreading awareness about the need for eco-friendly living and to make positive environmental changes.

VENUE AND DATE : Outside campus At 22/10/2023 to 30/10/2023

CHIEF GUEST : Dr.L.Ramesh, JR EPA, Dr.MGR Educational and Research Institute University Chennai

NO OF PARTICIPANTS : 2000
